

## Letter of Recommendation (Doctoral Program)

Graduate School of Nanobioscience, Yokohama City University  
Doctoral Program, [Name of Department])

I hereby recommend the following applicant for admission:

\_\_\_\_\_

Date:

**Recommender**    Title and Name \_\_\_\_\_

Signature or official seal (if applicable)

Please describe the applicant's research background, research plan, academic ability, personal qualities, and any other relevant characteristics.

**Note:**

This letter must be sealed by the recommender.

A "sealed" document means that the recommender places the letter in an envelope, seals the envelope, and signs or stamps across the seal.

Letters that are not sealed in this manner will not be accepted.
