<b>DAY 5</b>	<b>8/4/2017</b>	
<b>AM</b>	9:00-9:45	Small Group Misc Cases
	9:45-10:15	Break
	10:15- 11:15	Introduction to Interventional Radiology
	11:15- 12:00	Introduction to Nuclear Medicine
<b>PM</b>	1:30-2:15	Small Group Trauma Cases
	2:15-4:30 (with break)	Topics in Trauma Radiology

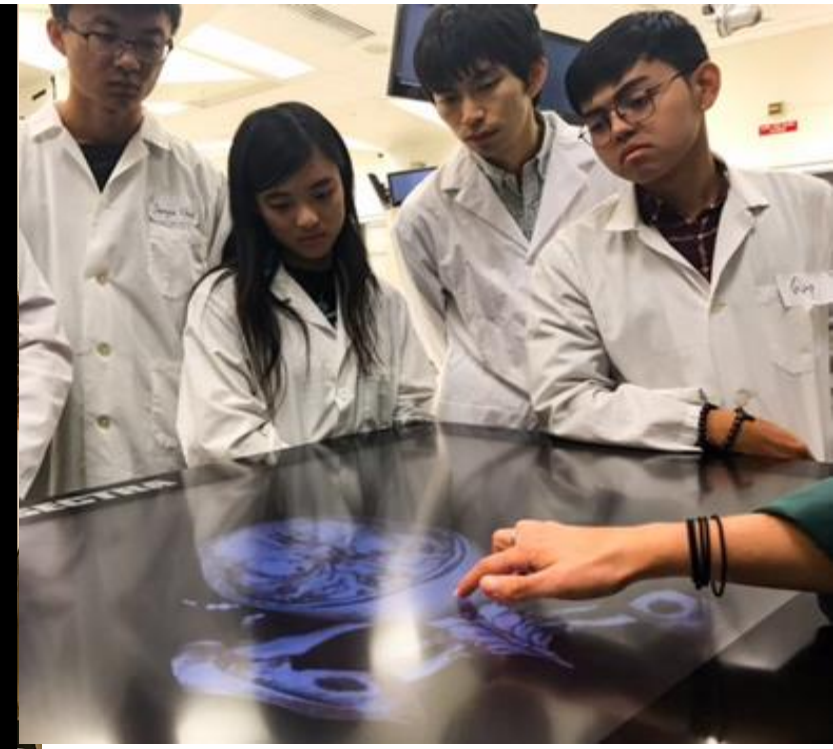

The  
Anatomy  
Lecture

Practicing  
the ultrasound-  
guided biopsy

The  
Radiology  
Lecture

# Messages for next students

I recommend this program for the juniors :

- who want to try study abroad for the first time.
- who are in lower grades.
- who want to learn medicine in English efficiently.

# Metro Vancouver air quality worse than Beijing: St. Paul's respirologist

Global News RADIO **980 CKNW** By Kyle Benning and Simon Little CKNW
