

# Clinical Cardiology Clerkship at UCSD

Yu Honda

Yokohama City University

# San Diego

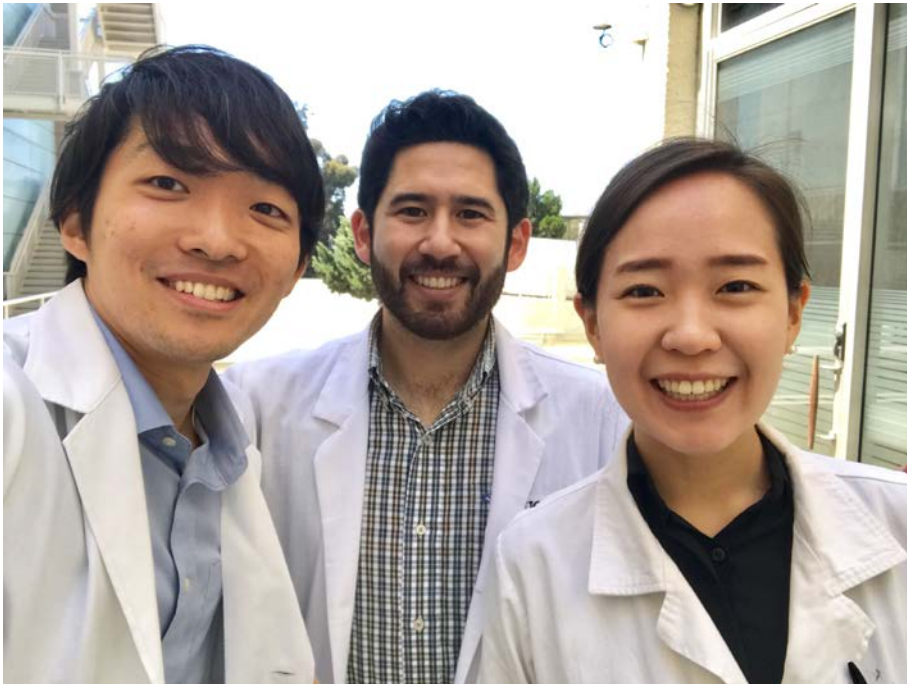

# UC San Diego Medical Center Hillcrest

# My cardiology team

- Manage coronary artery disease, heart failure, and arrhythmias.
- Consists of 1 attending, 1 fellow, 2~3 PA & NP, 2~3 students.

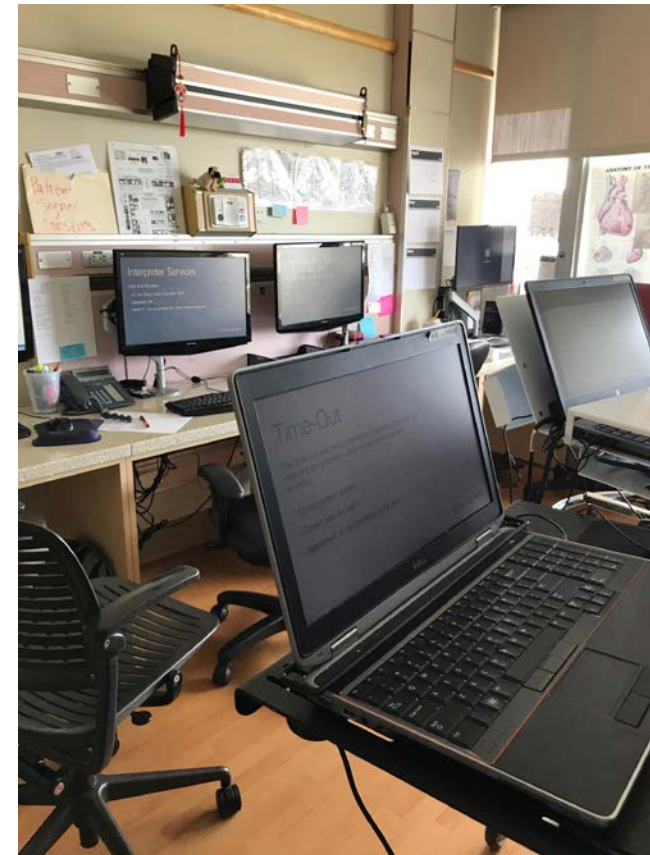

# Daily Schedule

- 7:30~9:00 pre-round,  
prepare for presentation
- 9:00~12:00 morning conference,  
attending round
- 13:00~ TEE (transesophageal  
echocardiography),  
cardioversion,  
seeing new patients from  
other departments,  
etc...

No overnight call and weekend duty

# The variety of patients

- Substance abuse
  - Morbid obesity (over 200 kg)
  - Patients from jail
  - Homeless
  - Speak only Spanish
- etc...

# Impression of working abroad

- The most important thing is communication. (presentation, relationships with patients and staffs)
- You can get to see a variety of patients.
- Different style of conference, working culture.

# Life in San Diego

# Acknowledgement

- I would like to express my gratitude to all the staffs in Yokohama City University and UCSD.
- This program is supported by Gushinkai.
