A silhouette of a person's head and hand, with the hand holding a pen to the chin in a thinking pose. The background is a blue gradient with a bright light source in the upper right corner, creating a lens flare effect. A semi-transparent dark blue horizontal band is positioned across the lower half of the image, containing the text.

What I thought and learned

Importance of “Speaking up”

What's the "brain death" ...?

Differences in the health care system

Take home message

- Studying abroad is not easy, but you can definitely get...
- Special opportunity of learning
- Wider perspective of life

Acknowledgement

- I am deeply grateful to Gushinkai, Medical School Supporting Association, staffs and teachers at Yokohama City University for supporting me.
- I would like to thank Prof. Jennifer Berumen, all the doctors and medical students of UCSD School of Medicine for giving me plenty of opportunities for learning.
