

Yokohama City University
Support for Pioneering Research Initiated by the Next Generation

2024 SPRING International Workshop

Feb. 19, 2025 (Wed)

Application

The SPRING International Workshop was held as a "Research Presentation" until FY2023, but from FY2024, it will be held for the purpose of international exchange and to introduce research in an easy-to-understand manner for non-specialists. It will also provide a forum for exchange between supported students and companies and research institutions.
